Are you and Ajise very close?

Who is that?

He said you mustn't see that.....

Huh?
The main character of the story of our country.

But Cladius was attacked by humans, and was absorbed into the body of a person called Ajise.
Once upon a time, in Arisu, lived a holy beast called Cladius.

Kill ...?
We... will... kill Ajise...
There is?
For the holy beast to come out, there is a way!
You, you don't need to use such extreme methods!
The holy beast of Trace, Toira told us itself!
I've always wanted to know this!
Thank you !
That's great !
We've got to ask Cladius to get back quick!
Laku can get back to normal!
We will rescue Cladisu.
I told you to wait here!
Wa ?

Cladius?
Cla

This has got nothing to do with her?
You have to ensure that Kukaru returns safely.
But why
I've already hit a critical spot!
You won't be able to do it.
I've said before

If you want, you can stab you till you are satisfied.

There is no time left.
The Everlast ing Pool is the water source of Arisu.

Let's go to Arisu.
And return the holy beast to it's place.

Laku

If you do this, do you know what will happen to you!
Wait, wait

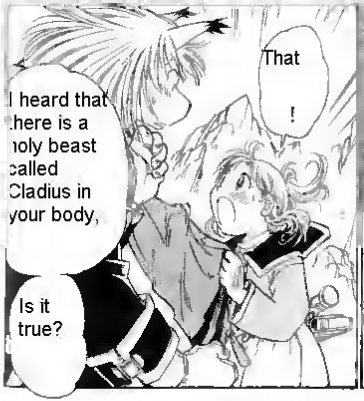
But
it's up to you.

Huh? Mr Hars?

Laku
!



That

I heard that there is a holy beast called Cladius in your body,
Is it true?

Ah? You're bleeding!
What a ruckus, what's going on.
This is not blood.

Alright, alright.
Idiot Laku! Why did't you say it earlier! We could have solved it faster!
!

So it's true!
!

I have a headache
Right ?
Mr Hars also feels so?
Why didn't you tell me eariler!

No...
Look !
That bird is proof!

Laku can change back to his orginal form!

Laku's journey will be ending soon!
But, it's alright!

Hey

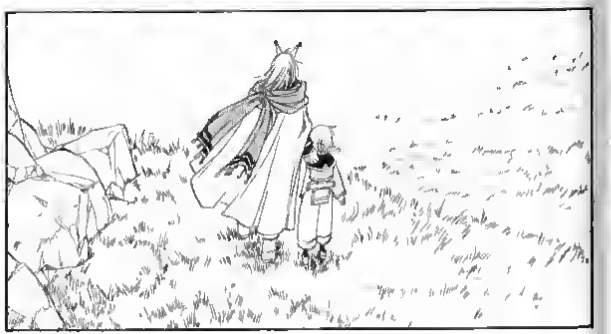
Really ...?

Heard that without any deaths, the holy beast can still return.

Because we've sen it with our own eyes!

We'll see it after that hill
Is it... At this time, you are still trying to avoid telling me the truth?

That red colour roof...
Look !



Shall we go to another place first?
Before that,

You have been repeating the same thing over and over again.
We'll be there soon.
Sigh... Are we there yet?

Stop mopping
Lakute,
Come over and help
Lakute
My dead benefactor lived here
When people die
Really nothing is left

Yes
There was a house here?
